SIDNEY TAKES RED'S SERVICE CUP IN FINAL

The snappy Tillicum baseball team in the Commercial League loosened their hold on Red's Service Station Trophy at the Royal Athletic Past on Wednesday evening of last week when they stacked up against Sidney and as a result the said trophy now comes to Sidney after a tough battle in which the Tillicums lost out by one run, 5 to 4. It was one of those games that was anybody's till the last man was out. Although numerous errors took place no one team had a monopoly on them, although Tillicums seemed to have them at the worst time.

"Lefty" Campbell, star heaver of the Tillies, worked hard on the hill, pitching wonderful ball, but his teammates booted the pill all over the lot at the most inadvertent periods. He held Sidney to five scattered hits and struck out seven. But Sidney made mighty good use of those hits and never let up on pressure on the Tillies. It was a hard battle all the way. Sidney, who were the first to bat, chased over a run in the first inning on a single by Simpson. Things went all snappy until the fourth spasm when Sidney got real ambitious and chalked up three more runs. Tillicums managed to get a counter in the last of the fourth on a hit and two errors. In the fifth Sidney did not score and Tillicums lit on Wade Steele, who weakened, and hammered him around the lot, allowing three runs to be counted and thus tying the score. At this stage of proceedings "Syl" Williams, the smiling boy, stepped onto the mound and put a sudden stop to this funny work.

Syl then decided to get a run himself and help the boys along and so smacked the pill on the nose for a three-bagger and then came home on Clanton's grounder. In the three remaining sessions the Tillies could not connect for more counters, Williams using considerable strategy and allowing only two bingles.

In the last of the eighth the Tillicums threatened to tie the score after C. Hilton had banged out a double and was sacrificed to third by Pete Campbell. Pat Steele, the next man to face Williams, sent up a dinky foul fly that Lines pounced onto like a hawk on a mouse and then Bobby Love came up with great hopes and sent the pill up almost out of sight for Darbyshire to nail on its downward flight and so wind-up the 1928 Commercial Baseball League season.

A nifty piece of work on two occasions took place at second base when Simpson "Percy Williams" to the sack to nail the runner leading off on perfect throws from Williams for the third out on each occasion.

The teams lined up as follows: Tillicums—McLaren, l.f., 3b.; Barr, c.f.; Doherty, s.s.; C. Hilton, c.; Campbell, p.; Steele, 1b.; Love, 2b.; Barnswell, r.f.; A. Hilton, 3b., l.f. Sidney—Lines, c.; Simpson, s.s.; Brown, 1b.; Steele, p.; 3b.; Darbyshire, c.f.; Williams, 3b., p.; McNeil, l.f.; Jackson, r.f.; Clanton, 2b.

NEW STAGE LINE CITY TO SIDNEY STARTS TODAY

Commencing today at 8 a.m. a new passenger stage service between Victoria and Sidney was inaugurated with a new 30-passenger Yellow Coach stage of the Vancouver Island Coach Lines pulling out from Sidney. "Poppy" Landy, one of the most popular stage drivers in the country, had charge of the big coach. Everybody knows Billy, right from Grandma down to the little tots, and no doubt he will draw a big trade. Two coaches are now on the run, the other stage being in charge of Ray Johnson, familiarly known as "Red." See schedule on page 2.

Fine Scores Turned In At Golf Competition

The 18-hole medal competition for the Captain's Cup, presented by Mr. Charles Birch, was won by Mr. G. C. Wemyss of Sidney with a fine net score of 62.

The second prize was tied for by Mr. J. J. White and Mr. B. Blason with a net score of 64, the latter winning the play-off by one stroke. The Scotty Cup presented by Mr. Scott Currie of Seattle, Wash., for the largest gross score and previously held by Mr. J. J. White, was won easily by Mr. H. C. Layard, Deep Cove.

The Ladies' Monthly Medal was won by Mrs. James McIlraith with a gross score of 84, net 70.

There was a large entry for both events.

Y. P. S. HEARS TALK ON WAR

The regular weekly meeting of the Young People's Society was held in Wesley Hall on Tuesday evening with Miss Ivy Hill in charge of the opening services which were followed by Mr. Lee's ten-minute talk on the first five books of the Bible. The roll was called and the minutes of the previous meeting were read and adopted and all outstanding business was attended to and full arrangements for Sunday's Rally Day program were made.

At the adjournment of the business meeting the World Citizenship Committee took charge.

Mr. Fralick gave a very interesting lecture on the subject of "War," giving as some of the causes international jealousy and desire for adjoining territory. He gave many interesting figures on the number of men and battleships, etc., that had been lost in battles and the staggering cost to the different nations. At the close of his talk Mr. Fralick received very hearty applause for his interesting discourse.

A most enjoyable discussion followed this talk after which games were indulged in with Miss Merna Lane in charge.

The next meeting of the society will be held on Tuesday, Oct. 2nd, the Literary Committee being in charge and the speaker for the evening will be Mr. A. G. Smith, principal of the North Saanich School.

Hi Fungi?

No, this is not a Chink laundryman or general merchant in Chinatown, it has to do with an "elevated" growth on a prominent Sidney man's back on a recent visit. We have often read of shed roof. We have often read of growing mushrooms in the cellar or some such dark place as it were, but a fortune over night in the bright sunlight and having a full-sized mushroom pointed out on the roof several feet overhead was the experience we had this week when Mr. Jas. Critchley took us to the roof of his dear old house and proudly showed his dear old pet "Hi Fungi." Exhibition daily!

GOLDEN DAYS OF OLD CALIFORNIA RE-LIVE IN FILM AT AUDITORIUM

Manager Halseth Secures Top Notch Picture For Opening Show Tonight and Friday Night — Big Crowd Likely To Attend

The most romantic era in the history of this continent—the nearest approach to the golden medieval days of gallantry—is to be found in the period when Spain ruled California.

It is in this colorful span of years that "Rose of the Golden West," the George Fitzmaurice-First National production is based, and the gay and colorful atmosphere of the time has been faithfully reproduced in the spectacular picture which Manager Halseth of the Auditorium Theatre, Sidney, will show here tonight and Friday night, commencing at 8 o'clock.

The days of European feudalism were revived by the Spaniards in that period before California—really almost the entire west—was transferred to American rule.

Spanish dons, nobility equal to the barons and dukes and earls of Europe, ruled the land. Their kingdoms were the enormous land grants given by the Spanish Crown to those who had distinguished themselves by some means in the conquest of the New World.

LITTLE KINGDOMS
The grants included many thousands of acres, one of the largest being that of the Yorba estate, extending from the mountains to the sea. Other ranches were almost equal to this in magnitude.

The Spanish dons of that era, however, were not a thrifty lot. They loved luxury and ease and merry-making. They could not be concerned with work—even with making their menials' work. Consequently large

sections of these enormous grants remained idle, while only a comparatively small area was farmed.

With the coming of less romantic and more practical times the leading families, once so prominent, slowly died out. Americans, more ambitious and industrious, moved into the state. The original land owners, almost without exception, still refused to farm their land. To live they sold the grants, a section at a time, to the Americans.

NEW FORTUNES

The result of this was the gradual decay of the early nobility and the slow but constant rise of a new leading class. The basis of many tremendous fortunes of the West were started at this period, and many of the most prominent California families of today trace the beginning of their fortune to some thrifty emigrant ancestor who came west and acquired the enormous tracts of land originally held by the favored subjects of the Spanish Crown.

"Rose of the Golden West" deals in romantic and spectacular fashion with the colorful age when the powerful Spanish dons held sway in California.

Mary Astor and Gilbert Roland play the featured roles in the picture, with a supporting cast headed by Gustav von Seyffertitz, Montagu Love, Flora Finch and others.

Don't forget, the show opens tonight at 8 o'clock. Mr. Halseth asks you to make an effort to be present and see this great picture. No advance in price. Come early and avoid the rush.

SAANICH DIAMOND JUBILEE FAIR IS A VERY SUCCESSFUL EVENT

With Ideal Weather, Large Attendance, Keen Competition, Excellent Exhibits and Fine Co-operation of Exhibition Officials
Saanich's 60th Annual Fall Show Makes History

North and South Saanich, Victoria and many other districts of Vancouver Island were represented in the big crowd at the North and South Saanich Agricultural Exhibition at Saanichton on Wednesday of last week when Hon. S. F. Tolmie, Premier of British Columbia, officiated at the formal opening of the 60th Fall Exhibition of the society. A typical fair atmosphere, enlivened by the mingling of many old-timers and representatives of pioneer families of the island, welded the crowd of visitors into an amiable, interested and friendly unit; many exchanged reminiscences in the most informal spirit and examining the fine display of fruit, vegetables, livestock and other farm products. Picturesque old-time features mingled with the more up-to-date.

This year's Fair surpassed any held previously, the main hall, balconies and stage being crowded with interior exhibits, while the livestock sheds and poultry houses were filled to their utmost capacity.

There was an excellent display of grain and field crops, cut flowers and plants and fruits; while the home-cooking and ladies' work section presented a most interesting display. The exhibits in the children's and Indian departments were also very good.

The Holsum Products of Saanich had a very unusual display.

The Totem Rabbitry had 16 entries. Mr. W. Haggard, Dominion Egg Inspector for Vancouver Island, who was judge of the egg exhibits at the fair, stated that the egg grading was very high, the highest being 74 to 75 out of 80, and a large number ranking almost to the maximum. Competition for the special prizes was particularly keen.

Premier and Mrs. Tolmie were received on arrival by the chairman and secretary of the Fair Association, and as he stepped forward to make the opening speech Dr. Tolmie was enthusiastically applauded and cheered. "I want to congratulate you on the fact that your exhibition has now reached its sixtieth anniversary," said Dr. Tolmie in beginning his address. The undertaking had held on through adverse years in the confidence that a better time was coming. Faith had been justified as the distinct progress and improvement of recent years had shown. The North and South Saanich Agricultural Fair was now one of the most important on the Coast, Saanich having made a name for itself as a fruit growing and residential district. He did not know of any more attractive place in Canada, and confidently looked forward to a still greater future. It would undoubtedly participate in the great progress which there was every reason to believe would be experienced by the whole of British Columbia with the development of the natural resources and the building up of industries and commerce.

In conclusion Premier Tolmie congratulated the Fair organizers on the exceptionally fine character of the exhibits. The livestock was particularly good, a great improvement over previous years. Fruit, vegetables, women's work, children's work and other exhibits combined to make the fair one of the most attractive in the history of the society.

The Exhibition was favored with ideal weather such as the Saanich Peninsula is famous for and one of the biggest crowds in history turned out. The visitors to the fair saw several things during their tour about the hall and grounds to remind them of the unusual length of time the Agricultural Society has been in existence. One of the most striking, however, was the little loan collection of early fair souvenirs shown in the west end of the hall. This contained the picture of Mr. William Thomson, who was president at the time of the first fair in 1868, 60 years ago. Beside it was a picture of Mrs. Duncan Lidgate, mother of Mrs. William Thomson. Nearly were shown some old samplers, one of these commemorating the fair of October 2nd, 1873, worked into the yellowed threads of canvas. Another mellow sampler contained a sound suggestion for a pioneer country: "What Is Home Without a Baby?" amplified by its neighbor, "Do Right and Fear Not." And a picture of the pioneer homes of the time was shown in the water-color painting lent by Mrs. Alexander Thomson, showing one of the first houses in the Saanich Peninsula, the home of Mr. and Mrs. Lidgate on Mount Newton Cross road. In the doorway stood a lady in crinoline, and an aggressive dog was being appeased by a blanketed Indian holding

Toc H To Help With Repairs of Club House

The monthly meeting of the Guide and Brownie Association was held on Tuesday at the home of Mrs. King. Plans were discussed for repairing the newly purchased building which at the time of the meeting was within a few feet of its permanent position. Members of the Toc H from Victoria have kindly promised to come to Sidney on October 7th to work on the building, reshingling and doing general carpentry repairs. If anyone locally is interested and would care to help in getting the hall ready for occupation they are asked to be at the hall on that date. Several donations of cash and merchandise were reported and much appreciated by the association. The meeting then adjourned.

N.S. SERVICE CLUB BANQUET

The elevation of the North Saanich Social Club to that of the North Saanich Service Club is having a decidedly beneficial effect on the club's status and activities, embracing as they do as one of their objects the promotion and encouragement of the British ideals of sportsmanship which are the groundwork of our British traditions, i.e.:
(a) Courtesy to women;
(b) Fair play to all and service to all who need it.
(c) Support to the underdog;
(d) Esprit de Corps;
(e) Playing the game for the game's sake.

This year's banquet will surpass any of previous years, the oratorical program alone being exceptional.

The Hon. Dr. S. F. Tolmie is devoting his entire evening to the club—during which he will propose the toast to the club itself and the children who have won the awards of the various challenge cups will have the honor of receiving same at the hands of the premier himself.

The subject of the Very Reverend Dean Quainton's address, "The Empire," is being looked forward to with very keen interest as the Empire and all that the name implies is very dear to us all.

The presidents of all sister service organizations such as the Canadian Club, Kiwanis, Rotary, Gyro, Y.M.C.A., etc., will be guests on honor on this occasion.

As a suitable addition to the appetizing menu prepared by the ladies a hunting party organized by the club has furnished two choice bucks.

The musical program is of a very high order embracing as it does both the classical and the humorous.

Pender Island Parent-Teacher Meeting Held

By Review Representative

PENDER ISLAND, Sept. 27.—The annual meeting of the Parent-Teacher Association was held in Hope Bay Hall on Tuesday evening, Sept. 18th, with the president, Mrs. W. B. Johnston, in the chair. A number of business items, including the purchase of the award for the window-box competition for Senior Grade, and sports equipment for the new term, were dealt with. Appreciation of the assistance being given was voiced by the teachers and helped to stimulate the efforts of the association. A number of short articles were read by members, after which the election of officers took place, resulting in the return of all except that of secretary. Miss Jean Graham, who asked to be relieved of this office owing to pressure of duties, was succeeded by Mrs. S. P. Corbett. The meeting then adjourned for a social time and refreshments.

Sidney Social Club

The regular weekly meeting of the members and friends of the Sidney Social Club was held in the club room, Beacon Avenue, on Wednesday evening. Two old members who had left the district recently were welcomed as visitors, and a very merry evening was spent at military 500, which was played at six tables. Friendly rivalry prevailed throughout the 20 hands, at the conclusion of which the honors went to Table No. 3, with 26 tickets, the players being Mrs. T. Lidgate, Rev. Father Scheelen, Mr. McLaughlan and Mr. Allan Brazas. At the termination of the game refreshments were served, the table being prettily arranged with bouquets of autumn flowers, coffee being served by Mrs. Lidgate.

A social hour was enjoyed by all, the meeting adjourning to meet again Wednesday evening at 8.15 o'clock.

BUILDING IN N.S. KEEPS ON MOVE WITHOUT LETUP

Building operations are still under way in various parts of North Saanich, especially in the southern section.

Mr. Maxwell, who recently purchased the residence of Mr. Reg. Readings, is making improvements and additions to the property.

Mr. Brock, who recently purchased the lot on the west corner of the East Saanich Road and Bazan Bay Road, is constructing a residence thereon. Mr. Ambrose Readings is constructing a greenhouse and residence on the East Road in the same locality.

Mr. J. Bosher is having a residence built on Dickson Ave., near Tripp Hill.

Mr. J. Nicholet has recently completed the addition to his house on the East Road.

It is reported that the proprietors of the Chinese greenhouses on the East Road are about to add three or more houses to the same.

Mr. A. W. Bawden, Breed's Cross Road, is building a residence on his property.

Mr. Anderson, who recently purchased the property lately owned by Miss Eva Hart, is having alterations made to the residence.

The North Saanich School, on Central Road, has been recently painted outside and redecorated inside. Electric lights have also been installed and improvements made to the heating system.

The B.C. Telephone Co. is installing a new line along Beacon Avenue and Central Road to connect with the lines now in use on Central and Breed's Cross Roads which have become overloaded.

Birthday Party

The home of Mrs. T. Lidgate was the scene of a merry birthday party last Saturday afternoon when Mrs. Lidgate entertained a number of little friends in honor of the sixth birthday of her little daughters Etta and Myrtle.

A very pleasant afternoon was spent in games and other amusements, after which supper was served in the dining-room, the table being decorated with autumn flowers and leaves while at each end there was a beautifully iced birthday cake lighted with pink candles. Miss Irene Thornley and Miss Pauline Clanton assisted with the serving.

Those present were Laureen and Donnie McNeil, Phyllis and Ted Skinner, Victorine and Gerald Clanton, Bella Craig, Billy McDonald, Margaret and Betty McIntosh, Marie Gressley, George Howard, Buddie Doidall, Phyllis Johns, Harold Thornley, Eddie Matthews, Helen, Beatrice, Etta and Myrtle Lidgate.

POULTRY AND EGG POOL IS DISCUSSED

By Review Representative

SAANICHTON, Sept. 27.—A meeting arranged by those interested in forming a local of the proposed Poultry and Egg Pool was held in the Agricultural Hall on Monday evening last with Mr. C. H. Borden occupying the chair.

A number of the leading local poultrymen were in attendance and heard addresses from Mr. W. A. Landreth of Winnipeg and Mr. G. P. Wallace of the provincial board of the proposed egg and poultry pool.

These gentlemen outlined the many advantages that would accrue through the formation of an egg and poultry pool.

Mr. Landreth told how successful it had proved in Manitoba and further stated that "If the producer is satisfied to take 85 percent of the value of his produce, I don't think he will ever be bothered with financial problems again." Mr. Landreth invited questions, from which it would appear that very few prairie producers have the minimum of 200 hens required for membership; that liability is limited to \$3 per share and a 15 percent dividend; that all ships to the pool must be members; that the pool could go into the feed business if the members so desired.

Practically all those present signed contracts. A further meeting is being called in the same hall on Tuesday, Oct. 2nd, at 3 p.m., when it is expected to sign on the balance of the 25 required to form a local of the proposed Poultry and Egg Pool Association.

ABSORPTION IN MATERIAL THINGS

"The greatest enemy to the coming of the Kingdom of God," says Henry Van Dyke, noted author and preacher, "is a total absorption in material things."

That will take a little thinking over. It seems to hit the nail on the head as to what ails this prosperous age. Most of us, it is apparent, are really absorbed in mere "things" most of the time. There is a craze for "doing things;" for acquiring "things;" for mere action and accumulation. Ours is a time, too, of records and percentages and statistics.

Today a material civilization flourishes mightily, and its blessings are not to be denied or scorned. Yet there might be still more blessedness in realizing, oftener than most of us do nowadays, the value of the immaterial as compared with the material; of ideas and ideals as compared with mere "facts;" the value of the "things" which are unseen and therefore eternal as compared with the things seen so plainly by everyone whizzing past in a motor car.

People absorbed in mere material "things" don't really understand life or themselves or their destiny, and are not even masters of their own minds but mere slaves to their senses.

There is more value in good manners than many imagine. A bad man with good manners, someone has said, will succeed where a good man with bad manners will fail.

SIDNEY LOCALS AND PERSONALS

Mrs. Barrie Higgs arrived home this week from Victoria after spending some time in hospital.

The English Schoolgirls were entertained at "Harwood" Deep Cove, the home of Mrs. W. H. Belson, regent of the Allies' Chapter, I.O.D.E., the members of which acted as hostesses at a delicious repast. In the absence in the east of Mrs. Belson, Mrs. P. A. Bodkin, vice-regent, and Mrs. O. J. Rochford, standard-bearer, welcomed the party in the name of the chapter.

Mr. Geo. T. Michell, who is succeeding Major Campbell as general road foreman for the Islands Electoral District, passed through Sidney on Tuesday, accompanied by Major Campbell, on a trip to Salt Spring Island to check up on roadwork and equipment.

The Sidney Young People's Society of the United Church will be in charge of the service this coming Sunday, Sept. 30th. It is to be in the form of a special rally day program and the society extends to everyone a cordial invitation, especially the young people of the district, to be present.

Mr. and Mrs. Fike recently moved from the house now occupied by Mr. and Mrs. Hollands and are now residing in the house lately occupied by Mr. and Mrs. Deildal.

Mr. Smith Barker, who has been up North for the past few months, spent a few days at home this last week before returning to his work on the Fraser River.

Mrs. S. J. Taylor, Third Street, is spending a few days visiting at the home of her sister in Duncan.

Mr. and Mrs. A. W. Hollands and family removed this week from Third Street to the house on Second Street, just off Beacon Avenue, vacated by Mr. and Mrs. Fike. Mr. Hollands has recently purchased this property.

Mr. Thornley of the Sidney Trading Co.'s staff is on a two weeks' vacation.

Miss Rhoda Craig is leaving on Friday on a visit to Vancouver. She will be accompanied by little Billy McDonald, who has been visiting at the home of Mr. and Mrs. Craig for the past month, and Miss May Evans, who has been the guest of Mrs. W. Cowell.

Mr. and Mrs. Deildal and family have moved to the house on Third Street recently occupied by the Hollands family.

Miss Merna Lane of the Telephone staff is on her vacation and is leaving on Friday to spend a few days visiting in Vancouver.

The annual general meeting of the North Saanich Horticultural Society for the election of officers for the coming year will be held at Wesley Hall tonight (Thursday, Sept. 27th) at 8 o'clock. It is hoped that all members and friends do their best to be present. An outline of the work for the coming year will also be put before the meeting.

Mrs. John Matthews of Seattle has returned home after spending a few days visiting with Mr. and Mrs. J. Matthews, Third Street.

Mr. Crossley and son "Stan" of Victoria spent the past week in Sidney and were the guests of Mr. and Mrs. T. Lidgate. They had several contracts locally, treating roofs with a new British cementing process for making roofs watertight and fire-proof. Mr. Crossley has been successful in securing the rights for this new process business for Vancouver Island.

Mrs. Dixon has returned to her home on Queen's Ave. after spending the week in at Saanich House.

Mr. H. Bishop of Vancouver is spending a few days visiting here.

Mr. and Mrs. E. Davey of Los Angeles were visitors here during the week. Mr. Davey was a former resident and had many friends in Sidney, having inaugurated the Flying Line

TIT-BITS from the NORTH SAANICH SERVICE CLUB

The regular evening of the club was as usual very well attended on Saturday last with 12 tables in play, the fortunate winners being Mrs. H. North, having won the cut from Mrs. O. Thomas and Mr. E. Livesey.

After refreshments the latter part of the evening was spent in dancing. Sale of Work and Fancy Fair. The club has chosen Wednesday, Nov. 7th, as the date on which to hold their sale of work.

Composing Room Divulges Secrets

The cut above was reproduced from a collection of photographs plus a little art work, and it came about this way. There was a need for an illustration to brighten and balance the page. So we looked through the files. The photograph of the new Canadian Pacific engine came to light first, but, while it illustrates the largest passenger engine in the British Empire, our readers already knew all about it. Put it on one side! Then we saw the picture of the ox which is engaged in shunting freight cars at Trieste. This we thought we could fit up to the engine in some way, but when we saw the photograph of the elephant at Kandy, we thought that it would be much better and easier to write a feature on, say, "power" or "World transport!" The African Zulu with the Ricksha would have helped a story of this nature, but when we saw the beautiful curves of the Lamahewa Pagoda and the graceful lines of the Moon Arch in the garden of the Jade Tree Studio at Shanghai we thought that perhaps we could make an appeal of sorts to the cultural side of our readers. But the office boy was very keen on the locomotives, the makes of which he could make a better lay-out with just the animals, and our fair-haired stenographer considered the architecture more artistic.

We compromised by deciding to make a three-column layout and using them all. What then remained was to be thought of as a complete short story. Our idea about a Canadian Pacific train first and last, a N. A. V. line, a British Pacific steamship for the ports and sights of the world. The "Empress of France" and there you have a complete short story. It will not make a cruise, but here she is last year at Rio de Janeiro. The "Empress" is replaced in cruise service by a "Duchess." Not that this makes a great deal of difference to your editor, but there are many readers of this page too, who will enjoy Christmas in the Holy Land, and cherry-blossom time in Japan. They will tour the West Indian Islands in comfort in January or February, they will round the Mediterranean. They have shown us their lockers, and before Spring is here again they will be showing us their tan and their inventiveness.

SAANICH DIAMOND JUBILEE FAIR IS A VERY SUCCESSFUL EVENT

(Continued from Page One.)

Saanich of those early times was provided by a chair (the first chair ever taken to Saanich) which was carried by canoe from Victoria in 1855 by William Thomson. This interesting relic, which is still in excellent condition, was lent by Mr. Alexander Thomson.

Other interesting souvenirs included a hand-knitted woolen skirt made by Mrs. Butler, wife of the first secretary of the Agricultural Society; a hand-woven linen sheet made by Mrs. Lidgate; a nightdress, which took a prize in 1885, and a hand-sewn man's shirt exhibited by the late Mrs. Turgoose and which won first prize at the first fair 60 years ago.

The display put on by the Dominion Experimental Farm at Sidney attracted a great deal of attention. Arranged against the south wall of the fair building, it included some excellent specimens of fruit and vegetables, grains, etc. One of the exhibits of special interest here was a collection of muskmelons grown with paper mulch. Prof. Straight, the Government representative in charge of the display, stated that the mulch had proved so successful that it was possible with this form of fertilizer to grow 124 melons as against 25 without it. The biggest of the melons lower was about 21 inches in circumference.

Another extraordinary exhibit which appealed to all farmers who are seeking ensilage products was a stock of artichokes. The plants in this averaged about 14 feet in length, with good weight of tubers at the root. The Dominion Experimental Farm is demonstrating that this plant is more valuable than either corn or sunflowers, for whereas corn grows 19 tons 1,600 pounds to the acre, and sunflowers 30 tons 1,600 pounds, artichokes grow 50 tons 1,200 pounds. Tubers of the artichoke average 17 tons to the acre, and in food value are quite equal to potatoes.

Another big product shown by the Experimental Farm was mangels. The Danish spudstrup exhibited is a specially heavy variety, and its food properties are good. The largest single specimen shown weighed about 75 pounds.

Several specimens of pears were offered in the collection. Prof. Straight maintains that the pear is the best of the fruits grown on Vancouver Island. In no part of Canada or the United States did it attain such perfection as here. The best early pear, the Bartlett, was shown at its best, and there were samples, too, of the Bosc and the Clairguy.

The medlar, popular in the old country, has not yet been much in demand on the local market, but can be grown on Vancouver Island, as some fine specimens in the Experimental Farm exhibit showed. A few handsome bunches of Saanich-grown grapes, the Black Hamburg variety, attracted attention, as did specimens of walnuts, hazelnuts, almonds, and other nuts grown at the farm.

Although the fruit and vegetable exhibits were finer than ever this year there was a noticeable dropping off in the fancywork and needlework section. Some housewives are as industrious as ever, however, one of the exhibitors winning no fewer than 22 prizes for her deftness in bread and cake making, fruit preserving, needlework, etc.

The competition in school sports was keen, almost every school on the peninsula competing — races, jump-

ing, pole-vaulting, etc., proving very interesting to the spectators. The Spencer Challenge Cup for highest points scored for schools of two rooms or over went to McKenzie Ave. School after a thrilling battle against Sidney. Sidney had previously won this event for seven years in a row. This year, however, McKenzie Ave. beat Sidney out in the finals by two points, 25 to 23. North Saanich and Keating tied for the Northwestern Creamery Challenge Cup for schools of two rooms or under.

Scores surrounded the dancing platform all afternoon to see the Highland dances, competition being very keen in these events, many bonnie lassies putting forth every effort to win the various events, displaying marked skill and grace.

The music supplied by the band of the 16th Canadian Scottish Regiment under the direction of Bandmaster Jas. M. Miller, and by kind permission of Lt.-Col. D. Martyn, D.S.O., M.C., was most enthusiastically enjoyed and many remarks of praise were heard during the afternoon for the excellent program rendered.

The prize-winners were as follows:

GIRL, FORMER RESIDENT OF SIDNEY, WEDS

A pretty wedding was solemnized on Saturday evening, Sept. 15th, at St. Mary's Church, Oak Bay, when Rev. A. E. de L. Nunn united in marriage Miss Florence Lillian Thompson, only daughter of Mr. and Mrs. A. E. Thompson, 1433 Regbie Street, and Mr. G. Dudley Stephens, son of Mr. and Mrs. George Stephens, 1160 May Street. The church had been beautifully decorated by friends of the bride with autumn flowers and foliage.

Given in marriage by her father, the bride entered the church and was met by the choir who preceded her up the aisle singing "The Voice That Breathed O'er Eden." The bride was charming in her gown of white georgette trimmed with panels of silk lace. Her embroidered net veil, worn Juliet can fashion, was caught on either side with clusters of orange blossoms, and she carried a bouquet of Ophelia roses and maidenhair fern, with orange blossoms which had been worn by her mother. Her only ornament was a string of seed pearls, the gift of the groom.

She was supported by Miss Gladys Renie, maid of honor, in a frock of blue and pink georgette with a picture hat of mohair trimmed with pink velvet ribbon. Miss Eileen Thain and Miss Peggy Whiting, the two bridesmaids, wore French model dresses of pink and green georgette respectively embroidered with beads and wore mohair hats to match with bouquets of asters and chrysanthemums.

Mr. Eric Housley was best man, the ushers being Messrs. Frank and Norman Tyrrell.

Following the ceremony a reception was held at the home of the bride's parents where some 90 guests were welcomed. The bride and groom were assisted in receiving the guests by Mrs. Thompson, wearing a gown of black georgette trimmed with cut steel beads with back velvet hat, and by Mrs. Stephens in a gown of black marocain and close-fitting hat to match.

A buffet supper was served, the three-tier wedding cake occupying the place of honor on the charmingly decorated table.

Mr. and Mrs. Stephens left for Seattle where they will commence their motor trip to San Francisco.

The bride traveled in a brown georgette frock trimmed with cut velvet, and a mink coat and a brown velvet hat. On their return they will reside at the Linden Apartments, Linden Avenue.

ing season has returned to Victoria. The members of the St. Mary's Guild are putting on a military 500 to be followed by a dance, Friday, Oct. 5th, in the Institute Hall, Fulford.

The engagement is announced of Miss Maisie Henderson Sinclair, youngest daughter of Mr. and Mrs. Henderson of Glasgow, Scotland, to Mr. Louis Harold (Jack) Preddy of Ganges, Salt Spring Island, the marriage will take place next month.

The Girls' Parish Guild have commenced holding their meeting for the winter months, every Monday evening at the Vicarage.

Mr. and Mrs. Vernon Lawson of Ottawa, accompanied by Mr. Lawson's brother and sister-in-law, Dr. and Mrs. Lawson, paid a visit to Victoria on Monday last.

Miss Doreen Crofton is visiting Mrs. Douglas Layton in Vancouver.

Miss Lois Wilson is spending a few days in Vancouver where she is the guest of Mrs. Farquhar.

Mrs. Dunn Halley returned to Salt Spring on Saturday after a few days' visit with friends in Vancouver.

Mr. Geoffrey C. Best, who for the past five years or so has been visiting New Zealand, arrived at Salt Spring recently where he is the guest of his brother and sister-in-law, Capt. and Mrs. V. C. Best at "The Alders."

Mr. and Mrs. C. R. Wetherell returned to their home at Ganges last week after three months spent on Mount Bruce, where Mr. Wetherell held a position as "lookout man" for the Forestry Department.

Mr. and Mrs. Charles Tolson have been visiting Mr. and Mrs. Fred Crofton at "Harbour House."

Mr. Oswald of Vesuvius Bay left last week en route for England. He is spending a few days in Vancouver before continuing his journey.

The members of the I.O.D.E. will be hostesses at an afternoon whist drive on Wednesday afternoon in the I.O.D.E. room, Ganges.

"Salt Spring Island—The Switzerland of America" is a slogan that should be capitalized. Salt Spring has the goods. Let's tell the world.

They saved service on forty telephones

Fire was destroying a large Vancouver factory. A telephone cable pole was down, and 40 telephones, outside the fire zone but fed by the same cable that served the doomed area, were threatened with a suspension of service.

Telephone men took in the situation at a glance, and they knew just what to do. Two of them climbed a pole, and by cutting the cable at a point just outside the fire zone they disconnected that portion of the cable that served the blazing sector. In this way service on 40 telephones, that otherwise would have been affected, was saved.

B. C. ELECTRIC VICTORIA, B.C.

DATED Sept. 4th, 1928.

In Victoria Land Recording District of Cowichan West and Situate on Portland Island in the vicinity of Sidney Postal District, Vancouver Island.

TAKE NOTICE that Francis Arthur Sutton, of Rogers Building, Vancouver, by occupation Civil Engineer, intends to apply for a lease of the following described lands: Commencing at a post planted at high water mark on South shore of Portland Island and opposite Black Island and on the North end of Clam Shell Beach, thence 200 feet South, more or less, thence 1,000 feet East, more or less, and thence 100 feet North, more or less, then following high water mark to point of commencement and containing 5 acres, more or less.

(Signed) Francis Arthur Sutton.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS
Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes. Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre east of the Coast Range Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin, "How to Pre-empt Land."

PURCHASE
Applications are received for purchase of vacant and unreserved Crown lands, not being timber land, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, and 8,000 feet per acre west of that may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES
Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and the land has been surveyed.

LEASES
For grazing and industrial purpose areas not exceeding 640 acres may be leased by any one person or company.

GRAZING
Under the Grazing Act the Province is divided into grazing districts, and the range administered under the Grazing Commissioner. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stockowners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers up to ten head.

Sidney has light, water and power for industrial purposes, with industrial sites at almost a gift. Inquire.

DR. TOLMIE

From the pen of Noel Robinson in The
Vancouver Star.

WHAT'S IN A NAME? This question, which is just as old as Shakespeare's time, may be considered with some profit when applied to the name of the Premier of British Columbia. Tolmie is an uncommon name—quite the most uncommon that has been borne by any premier of British Columbia—if we except that of the late Amor de Cosmos, and his was an assumed name. As a matter of fact Tolmie, in relation to its nomenclature, has a very

HON. DR. S. F. TOLMIE.
Premier of the Province of B.C.

interesting origin dating back to ancient Egypt, Greece, Denmark and the north of Scotland. The Greek word "tolmie" signifies "to dare," and though the new premier strikes the observer as rather of the solid than the daring type, it cannot be gainsaid that he dared much when he attacked the apparently well-entrenched Liberal hosts of British Columbia.

Originally the name Tolmie was spelt Ptolmey and this was the name

of many of the Pharaohs of ancient Egypt. The name Alexander Tolmie appears and reappears in different branches of the family, but in early Egypt and Greece it was written Ptolmey Alexander. This is one side of the ancestry of the Tolmie family, wherever it is found. On the other side the Tolmie family of British Columbia is descended from the Frasers of Lovat—Simon Fraser, the Christian names of the new premier, being given presumably, in memory of that great explorer through this province, Simon Fraser. Dr. Tolmie's father, that Dr. Tolmie who was with the Hudson's Bay Company, would never use the family crest and motto. The Frasers were originally French, the name Baberry and the origin being Brittany. They crossed the channel in 800 A.D. and at the Battle of Banockburn one of them supplied Robert Bruce with three successive mounts when the horses he was riding were killed under him. It was this act that won for them the three crowns upon their arms.

The Tolmies of British Columbia have reason to feel proud of both their ancient and modern ancestry. The father, Dr. W. F. Tolmie, was a picturesque figure of the pioneer type. He came to Fort Nisqually, Washington, where—if memory serves correctly—John, Roderick and three daughters were born, and later came to Camosun (Victoria) with James Douglas (afterwards Sir James) the factor, and first governor of this province, where Simon Fraser was born. The late John Tolmie, a man of sterling type but of a retiring disposition, and something of an archaeologist, lived all his life upon the family farm at Cloverdale on the outskirts of Victoria. Like his father, the old doctor—who was a graduate of Glasgow, and incidentally, the first white doctor, came from Fort Vancouver in Washington. The home of the Premier of British Columbia is also near Victoria. It is a farm named Cloverdale. The present Dr. Tolmie is a farmer and has all his father's farming instincts, for it was the latter who first introduced on Vancouver Island thoroughbred stock, Durham cattle, Berkshire pigs and

Leicester sheep.

The maternal grandfather of the Tolmies was John Work, one of the outstanding pioneers of British Columbia, who came across the Rockies on foot, in 1917 and later became chief factor for the Hudson's Bay Company.

From the foregoing it will be gathered that the new Premier of British Columbia has, both far back and of more recent years, an ancestry deep rooted in the soil of that province of which he is now the chief minister and one of which he may be proud. His experience as minister at Ottawa has been a valuable training for the responsible office which he now holds. His qualities are of the sound rather than the spectacular order and he is a man gifted by nature with a faculty for making friends rather than enemies. These qualities should serve him in good stead in the by no means easy times ahead of him. It now remains to be seen what he will make of the great opportunity which the electors have afforded him.

Canadian Legion

A special mass meeting of ex-servicemen will be held in Matthews' Hall on Wednesday, Oct. 3rd, at 8 p.m., which will be addressed by Col. Foster, D.S.O. Members and their wives are particularly asked to attend.

A meeting of the joint zones of the District Council, viz., Victoria and District, and Duncan and District, will be held in Matthews' Hall at 7 p.m., Oct. 3rd.

WONDERFUL SYSTEM
Everything in connection with the big fair went off without a hitch. An official that deserves special mention is the secretary of the North and South Saanich Agricultural Society, Colin A. Chisholm. His organizing ability, system and untiring efforts on behalf of the welfare of the Saanich Peninsula are well known. He is a pastmaster in handling this fair, his years of experience has everything right down to a science. Few of us stop to realize the amount of ceaseless toil necessary to make a fair of this size a success that falls on a secretary. Congratulations, Colin, more power to you!
